Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Bilioussness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

ECZEMA BROKE OUT ON FACE AND BODY

When Two Months Old. She Scratched, as It Itched. Did Not Sleep for More than a Week. Was in a Terrible Condition.

Used Cuticura Soap and Ointment and in Two Weeks She Was Well.

"When my baby was two months old, she had eczema and rash very badly. I noticed that her face and body broke out very suddenly, thick, and red as a coal of fire. I did not know what to do. The doctor ordered castile soap and powders, but they did no good. She would scratch, as it itched, and she did not sleep for more than a week. One day I saw in the paper the advertisement of the Cuticura Soap and Ointment, so I got them and tried them at once. My baby's face was as a cake of soap. When I first used the Cuticura Soap and Ointment, I could see a difference. In color it was redder. I continued with them. My baby was in a terrible condition. I used the Cuticura Remedies (Soap and Ointment) four times a day, and in two weeks she was quite well. The Cuticura Remedies healed her skin perfectly, and her skin is now pretty and fine through using them. I also use the Cuticura Soap today, and will continue to do so to make a lovely skin. Every mother should use the Cuticura Remedies. They are good for all sores, and the Cuticura Soap is also good for shampooing the hair, for I have tried it. I tell all my friends how the Cuticura Soap and Ointment cured my baby of eczema and rash." (Signed) Mrs. Drew, 210 W. 18th St., New York City, Aug. 26, 1910.

For more than a generation, Cuticura Soap and Ointment have afforded the purest, sweetest and most economical treatment for affections of the skin that torture, disfigure, itch, burn, crust, scale and destroy sleep. A cake of Cuticura Soap (25c.) and a box of Cuticura Ointment (50c.) are often sufficient. Sold throughout the world, and to Potter Drug & Chem. Corp., Dept. 109, Boston, for a liberal sample of each, postage free, with full directions for the care and treatment of skin and scalp troubles.

EAST MONTPELIER.

Grange Fair Was a Great Success Despite the Weather.

A great deal of credit is due all the committees having in charge the grange fair, which was a success in every way except weather conditions and was held at the hall Thursday evening, after being postponed the night before on account of the rain. A goodly number braved the dark, wet night and had a fine time to pay for doing so. There was a fine display of fancy work and a lot of very nice vegetables and apples, also canned fruit of prize poultry, handsome seed corn, and maple syrup and sugar cakes; also a nice showing of lard in pails, cut hams, vegetables and celery from Townsend's market. Mr. and Mrs. L. W. Sibley had a variety of pictures in oil, burnt wood and drawings, and the East village and Four corners schools contributed a lot of very interesting work done by the scholars. Herbert Kelton, Mrs. J. R. Young, Clark Sibley, Mrs. L. C. Hammett and others had a large amount of very old-fashioned articles. Some were over 150 years old. Songs by Mrs. L. P. Young and Mrs. L. C. Morgan Reduces Taxes \$250,000.

New York, Oct. 21.—J. P. Morgan appeared in person at the department of taxes yesterday to swear off a portion of his personal taxes. Under the law requiring the registration of certain classes of securities held non-taxable as personal property, Mr. Morgan registered enough to reduce his assessment of \$800,000 to \$550,000.

It was shown by Mr. Morgan that he could be held for only the latter amount and that he could have reduced the assessment even more if he had registered all he was permitted to register under the law. Last year Mr. Morgan's assessment was for \$400,000.
